NUMEROLOGY GUIDANCE CARDS

The *Numerology Guidance Cards* are the ultimate tools of divination, providing clarity and insight to assist you on your path. When you're in need of answers, direction, inspiration, and hope, these cards will bridge the gap between your inner wisdom and the "universal wisdom of All That Is" through the ancient energy of numbers.

The 44 cards in this deck contain specific numbers, colors, and words to raise your energy vibration—plus the ancient "Merkaba" and "Flower of Life" symbols to facilitate your spiritual growth. In the accompanying guidebook, numerologist **Michelle Buchanan** offers detailed information to aid you in interpreting your readings. These cards aren't designed to "predict" your future—but rather to help you create the future you desire!
